

Summer party – Saturday 26 June

The Summer Party draws ever closer and there is much to do in organising and preparing for a great day. There are three events that need prior planning and we will be knocking on doors, or sending out flyers in the next couple of weeks, so keep a look out for the following:

Bottle Tombola – please donate as much as possible.

Open Gardens – this year with a garden gift token prize.

Templemere's Got Talent – prize for all who enter.

In the meantime, get your bottles ready, your gardens prepared and voices toned. For further information, contact Annette Door.

Templemere welcome leaflet

Copies of the updated leaflet for new residents, explaining how Templemere works and the role of the Residents' Society, are being distributed with this newsletter. Have a look to see if there is anything you didn't already know about the estate.

The lake – reminder to parents

We recently had a complaint about a group of teenagers from Templemere who were messing around with boats belonging to Beechcroft residents (and were very rude when challenged). Apart from reminding your children to stay away from boats that don't belong to them, please also spell out the dangers of falling in the lake (and getting stuck in the silt).

AGM – Monday 12 July at 8pm

The Templemere Residents' Society Ltd annual general meeting will be held on the Templemere main lawn on Monday 12 July at 8pm. Papers for the meeting will be distributed in late June. Please bring a chair and stay for a chat with your neighbours and a glass of wine afterwards.

Gardens

We are pleased to announce the gardens contract has been renewed for a further two years with our current gardeners, Horticulturalers Ltd, led by Lance Wark. He and his team are here every Wednesday, and continue to maintain the grounds and restore areas that have become overgrown. The gardens sub-committee meets regularly and is discussing the planting plan for the recently cleared area in Zone 3, amongst others. If you would like a copy of the Zone areas plan or to view the original planting plans for the estate, please contact Annette Door.

The woods

We're delighted to report that new leaves have appeared on the oldest tree in Templemere - the oak tree, believed to be around 500 years old, in the woods immediately adjacent to the eastern boundary of the estate. Hazel Neill has arranged recently for the removal of dead branches from some of the trees in the woods. **Next woods dates: Sunday 6 June** and **Sunday 4 July** from 10am (Woods photos: Sara Ives)

Window cleaning

Please make the necessary arrangements for access and close your skylights during gutter and roof cleaning.

If you are not happy with the service at any time, please contact **Sara Ives** within 48hrs on **859891** or email her at **saraives@btinternet.com**

Painting

Inspection of the houses and garages to be painted this year has been made and quotes will be available soon which Arthur Boulter will deliver where applicable. Some of the garages are in a bad state and must be repaired to stop further deterioration; instructions have been given that flaking paint must be cleaned off to bare wood to make a better job on the garage fascias. Work is expected to start in June/July but advance notice will be given nearer the time.

New pharmacy

Previn Mangay at Oatlands Pharmacy has opened a new pharmacy just outside Weybridge Health Centre. It is open 7am to 11pm every day including Saturdays, and 10am to 4pm on Sundays. He hopes this will help locals who need a chemist urgently. There is no change to the trading hours of the Oatlands chemist.

Parking

Unfortunately inconsiderate parking is still continuing on Templemere and, as a result, you may have noticed large stones have been placed on the edge of the lawns. This is to stop people parking on the grass as it causes damage which costs the estate money. Please ensure you park in a designated parking space or, if this is not possible, use an appropriate place that does not cause damage to the gardens or block access.

Welcome

We welcome Mr Yu and family, recently moved in as tenants at 18.
